

Bulldozer Stolen by Bold Thieves

A bulldozer valued at \$10,000 was stolen Tuesday, April 13, by a couple of bold thieves. While a neighbor watched, the thieves loaded the yellow dozer, owned by Mr. VanSickle, on their own Low Boy trailer and red semi-tractor. The theft occurred at 10 a.m. and VanSickle's neighbor said he thought the bulldozer was being moved so he didn't call police. The bulldozer was parked on VanSickle's property along M-72 east.

A pair of thieves broke into Squirrel Bend Lodge on the AuSable and took rifles, stereo equipment, and other household property. The owner of the lodge is offering a reward for anyone with information about the breaking and entering which occurred between noon and 4 p.m. Monday, April 12. The pair also stole a canoe from the lodge and carried the goods in it to Townline Road, where their car was parked. Anyone with information about the vehicle parked on Townline or the B & E should call the Crawford County Sheriff Dept.

A hand grenade and other ammunition was turned over to Camp Grayling after a Livonia man found the live ammo while cleaning a relative's garage. The man discovered the material on Wednesday, April 14, and turned it in to the sheriff dept. Sheriff deputies transported the ammunition to Camp Grayling.

Clocks Spring Ahead Sunday Morning

Daylight Savings Time will begin Sunday morning when clocks are turned ahead one hour. With the hour change, sunrise will come one hour later but area residents will have an extra hour of sunlight in the evening. Daylight Savings Time will be in effect until the last weekend in October.

Annual Youth Booster Club Swiss Steak Dinner Saturday

The annual Grayling Youth Booster Club swiss steak dinner will be held Saturday, April 24, from 4-8 p.m. at Scheys Country House. Along with the main course of swiss steak, a salad bar made up of homemade dishes prepared by Booster Club members will be featured. Tickets are \$5 for adults and \$2.50 for children.

Sheriff's Dept. 103rd Anniversary Celebrated Thursday

A reception honoring the 103rd Anniversary of the Crawford County Sheriff Dept. will be held at the County Courthouse Thursday, April 22, from 1 p.m. to 4:30 p.m. The public is invited to the reception held in the lobby of the courthouse.

Hanson Park To Offer Enrichment Classes

Taking another step toward the reality of becoming a year-round community recreation area, Hanson Park officials have announced that a series of Enrichment classes will be offered at the park beginning Wednesday evening, April 28, 1982. Classes will begin at 7:00 p.m. on that evening and will continue for five weeks, through the month of May. All classes will be held in the Hanson Park Lodge and all classes will meet on Wednesday evenings. Classes being offered are: Drawing and Sketching; Polka Dancing and Nature Photography.

The Drawing and Sketching class will concentrate in both pencil and charcoal sketching. Special emphasis will be placed on the sketching of scenes in nature. Both beginners and accomplished artists are cordially invited to join this class.

With the coming of the summer season, it won't be long before those great summertime events called "Beer Tents" begin to spring up around the area. And of course one of the really fun activities held in these establishments is the dancing of the polka. So right now would be a good time for you to get set for the summer by either learning the polka if you do not know it, or, brushing up on the steps if it has been a while. If you are already an accomplished dancer, we cordially invite you to join this class just for the fun of it.

A very special class for all area photo-buffs is a class in

Successful Trout Opener Hinges On Water Level

By Jon Thompson

There are as many fish in the AuSable as last year, according to Steve Schdek, from the DNR Fisheries Division in Grayling, but high water levels may produce poor fishing for the trout opener this Saturday.

Schdek, who did a shock kill survey of fish in the AuSable last week, said on Monday the water level was high on the mainstream and it didn't look as if it would drop before Saturday. Rain

will raise the levels and sunny, warm weather will melt the remaining snow in the woods also increasing water levels. Only cold, dry weather will help lower the river, he said, but probably not enough to make for good fishing.

Schdek said there are a lot of rainbow trout still spawning from Thendara Road to Wakeley Bridge. Good brook trout reproduction was also noticed in the DNR survey indicating some

large brook trout may be in the river.

Heavy rains Friday and warm temperatures helped raise the water levels quickly over the weekend. Before the weekend, other conditions pointed to a better than average trout opener.

Most AuSable River fishermen say fly hatches have been delayed this year due to cold weather. Dave Lemmen, who's fished the AuSable five years, says the Hendrickson mayfly hatch should be later this year - making better fishing for downstate fishermen who come up for Opening Day. Usually the Hendrickson hatch, regarded as one of the best times for trout fishing, is over by Opening Day. Many local fishermen say they like the early mayfly hatch because they have a chance to fish the fly-only stretches, open all year long, before the Opening Day crowds arrive.

Skip Madsen, of Skip's Sport Shop, expects an average or better than average opener this year. On

Friday, a week before the opener, he said a break in the weather was still needed.

"We could use more sunshine to help take more snow off, raise water temperature, and raise air temperature to help hatches."

He said a couple of fishermen reported a small hatch on the main stream two weeks ago and a few Hendricksons hatched Thursday, April 15, but most of the hatching is still to come. He said most of the Hen-

dricksons hatching was completed by this time last year.

Madsen predicted bait and hardware would mostly be used Opening Day this year. He also said the last week of

TROUT SEASON OPENS SATURDAY—Trout fishermen, like the one pictured above during last year's opener, will brave cold water this Saturday in search of elusive trout in the AuSable and Manistee rivers and their tributaries.

Camp Grayling Training Season Begins

About 700 regular Army soldiers from Fort Knox will open the training season at Camp Grayling this April. The tank gunnery battalion is part of the nation's Rapid Deployment Force, said Camp Grayling Commander Col. J.R. Lippert, and they need to keep their skills sharpened. They will be practicing night tank shooting at ranges throughout April.

Starting in May, weekend National Guard troops will also begin shooting on ranges. They will practice artillery, tank, mortar, and machine gun shooting.

The large encampments of National Guard troops will start June 13 at Camp Grayling when 6,900 Michigan soldiers arrive for two weeks of annual training.

From June 29 to July 11, 2,700 Ohio troops will train here.

From July 11 to August 1 will be one of the largest troop concentrations ever to assemble at Grayling. Approximately 14,600 Indiana and Michigan troops from the 38th "Cyclone" Infantry Division will train at the camp.

From Aug. 1 to 15 another 3,000 Indiana troops will train here.

From Aug. 15 to 29, 3,000 Ohio troops will train here. Canadian Militia numbering 1,100 will train from Aug. 22 to Sept. 5 closing the regular summer training season at the camp.

The estimated 31,300 National Guard troops expected to train at Grayling this summer is one of the biggest concentrations ever for the camp.

Crawford Leads Area In Merchandise Sales

Crawford County, despite having a lower population than some surrounding counties, led our five-county area in total sales for general merchandise during 1980.

Crawford, with \$4.7 million in total general merchandise sales, outsold Otsego County stores by nearly six times more, according to a survey by Sales and Marketing Management Magazine. Crawford general merchandise stores fared better than Otsego's even though our northern neighbor has about 66 percent more population and a 33 percent higher average household buying income.

Crawford also ranked high in automotive sales having the second highest total in sales.

Total drug store sales for our county ranked fifth among the counties.

Otsego County, with a large population and a high average household buying income, ranked first in total retail sales and eating and drinking places sales.

Roscommon County ranked first in food store sales. It also ranked in drug store sales possibly due to having 43 percent of its population aged 50 and over. Roscommon County has the largest percentage of persons in that age group among the counties. Crawford County's percentage of residents aged 50 and over is close to 30 percent. The median age of residents here is 30.6 years.

Kalkaska County, ranked low in five categories, leads the five-county area in automotive sales.

Annual Secretary's Luncheon

The opportunity for employers to honor those who serve them well throughout the year, will be given again during the annual Secretary's Luncheon. It is planned for Tuesday, April 27th and will be a Luncheon in the Evergreen Rooms of the Grayling Holiday Inn. There will be small gifts for all honored guests and the program will be a surprise and involve many persons who will be present.

The luncheon will begin at 12 noon sharp and everyone will be ready to return to their jobs by 1:30 p.m. Advance reservations will be appreciated; please call the Holiday Inn on or before April 23rd at 348-7611-Ext. 303.

Warning

Weapons firing will be conducted at Camp Grayling during the period 20-27 April 1982.

Firing will be going on in the following range areas:

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek.

The Range 30 Complex located north of North Down River Rd., east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed during the period 20-27 April 1982 and all persons are warned to stay out of the areas identified.

Chamber Selects New Director

Debbie Shulhof, formerly of Saginaw, has been appointed Executive Director of the Grayling Regional Chamber of Commerce. She took over the post April 1, succeeding Duane Swift, who accepted a vice-president position at the Alpena Chamber of Commerce.

Shulhof, a graduate of Central Michigan University, was previously employed as communications consultant for three years at King Communication in Saginaw. She says she still is in the process of "getting her feet wet" in the new position, but has set several preliminary goals that include establishing good professional relations with every existing chamber member, encouraging new chamber members, and retaining and expanding the existing committees, councils, and organizations under the chamber's "umbrella."

Open House

John and Beverly Wilcox will be celebrating their 25th wedding anniversary with an Open House given in their honor Saturday, May 1, 1982 from 1:00 until 5:00 p.m. at 601 Plumb St., off of M-72 East. Relatives and friends are encouraged to stop in.

Budget and Millage Decisions On School Bd. Agenda May 3

A special meeting of the Crawford AuSable Board of Education is scheduled for May 3 to adopt a preliminary budget for next year and decide on a millage proposal for the June school election.

The school board has to come up with a millage proposal at the May 3 meeting to meet a filing deadline for the June election. A millage of 17.9 mills approved last June by voters is expiring in June.

The school board is placed between a rock and a hard place by the deadline. Equalized values in the county may not be decided by May 3 leaving the amount raised by certain millage

rates unknown.

Board of Education President Kathleen Burkley said the May 3 meeting will be extremely important and some important decisions will be made then. She said board members are working on the budget and school district residents are encouraged to call or write board members to let their feelings be known concerning school programs.

In other school board action, proposals to advertise for bids for an energy management system at the high school and roof repair at the middle school were approved.

Approximately \$233,000

will be spent at the high school this school year on heat and electricity - a 20 percent increase over last year. School officials will advertise for bids on a energy management system to see if energy use can be cut.

At the middle school, a large section of ceiling plaster fell in the room housing the library. Because of a flaw in the design of the roof and the age of the roof, school officials are checking four options of repairing the roof. The plaster fortunately fell during the weekend two weeks ago, when no students were in the building.

OLD AUSABLE GRAND OPENING—Ribbon-cutting ceremonies for the grand opening of Old AuSable Sporting Goods, located in downtown Grayling, were held Thursday, April 15. Store owners Bob and Barbara Smock and Mary and Bob Smock, Jr., cut the ribbon while Mayor Sandy Thompson, new Chamber of Commerce director Debbie Shulhof, and area businessmen look on.

Proclamation Secretaries Week April 18-24, 1982

WHEREAS, in recognition of the secretary, the week of April 18-24, 1982 has been designated as SECRETARIES WEEK; and

WHEREAS, in keeping with the best tradition of their profession, secretaries are accepting vital responsibilities and are performing important roles in commerce, industry and government; and

WHEREAS, the efforts of these professionals and their many contributions to the nation's progress are significant; and

WHEREAS, to recognize the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful acknowledgment be given their talents;

NOW THEREFORE, I, Gordon Thompson, Mayor of the City of Grayling, Michigan, do hereby proclaim the week of April 18-24, 1982 Secretaries Week and ask that all business and industry join in giving due recognition to this group, paying special attention to SECRETARIES DAY on April 21, 1982.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the City of Grayling to be affixed this 18th day of April, 1982.

Editor's Mailbox

I am writing in regards to the recently held Egg Hunt held on the lawn of the Grayling State Bank on Sat., April 10th. When I first read the article announcing the hunt I was delighted that the area businessmen had sponsored such an event for the local children. Our home was filled with excitement and anticipation for this special day to arrive.

And, when it did, my husband and I happily drove our three children (all under five) to the bank to participate in this fun filled event although we arrived before 2 p.m. the hunt for the 0-5 age group, which included our three children, was already well on its way.

We stopped along the sidewalk to speak with two other families with children under five. (eight in all) only to find they too had scurried to arrive only to find they too were to late.

As I explained to the children that they had started early, I reminded them that the Easter Bunny promised to be on hand for all to see.

As we made our way through the crowd and toward the bunny, he took off down the opposite sidewalk towards town. Upon my inquiry, I learned he had run out of treats and was on his way to find more. We stayed about ten minutes longer and left, much to the kids disappointment.

I know a lot of hard work and effort goes into planning such things, and my criticism is not aimed towards any individual in particular. My complaint however is with the general organization (or might I say lack of it). Although it was one small incident it was disappointing to us all in my family, not to mention the other two families we met along the way.

I thank those responsible for holding such an event, but would also like to stress the importance that they not lose touch of "back when - through a child's eyes" or underestimate the true disappointment that bursts when such anticipation of a special kind is ruined.

Thank you,
Mary C.H. Blaauw

From Our
Corner ...

It's unreal...snow again last Saturday and Saturday night...this time it was real light and Sunday turned out to be a nice brisk day with temperatures around 45...if this weather doesn't turn around soon we are going to believe a friend of ours that said he had read it somewhere that we were starting into another ice age...that's all we need the way the economy is...a break has to come, and soon.

Our friend, Victor Parsons of Maple Forest brought us a cute letter that he ran across from his teacher to his mother when he was in school in Maple Forest...we thought it quite appropriate during this day and age...

The letter was written November 9th, 1931...and we quote...Dear Mother of Victor: We have started having hot noon lunches at school, and I am sure that you want Victor to have something warm too. Our plan this year is that each child bring soup, vegetable stew or anything that his mother wishes him to have in a screw top jar such as sandwich spread comes in. We reheat it in hot water at noon.

While I am writing, I just want to tell you about what a dear child Victor is at school. He always does his work so willingly and so well. signed Elvira Heath.

Anyone else that have tidbits such as the above and wish to share them with our readers are more than welcome to bring them in or mail them...it helps the ol' fella to fill this portion of the Avalanche, and believe us there are many weeks that we need help...

Once again, we will try and update our policy on Letters to the Editor...the past couple weeks we have received letters with just a name, no address, pushed through the slot in the front door of the Avalanche, and another that would be defamation of character and we would be libel...whether you name a person or just make enuendoes, it is the same...on all letters we must have the legal signature (not printed), address and phone number so that we may call if a question arises...that we need to contact the person...constructive criticism is always welcome, more so if it is against us...we are always trying to make the Avalanche a paper that our readers look forward to every week...but, we do have to draw the line on many letters that we receive, they are either libelous, slanderous or in very poor taste, and do not prove anything...

Our Sunday was made brighter even with the sun out, when our T.C. family drove over for the afternoon...we haven't seen T.J., Stef and folks since we came back from out west...seems like every weekend since then we have had bad weather...we talked to Amber and her folks Saturday night so the weekend took away some of our problems...didn't have time to think about them, and besides this also is helping on our space this week...

If you have been planning on staying home Saturday night, and your bride refuses to cook dinner...there is still time to get tickets to the Grayling Booster Club's annual swiss steak dinner to be held at Schey's Country House. Mark the date down, this Saturday, April 24th, tariff is \$5.00 per adult, and \$2.50 per if you have children...

One more time we will try to alert our readers and friends and any transient people who read our column...spring has sprung...the worms are crawling out of the woodwork or wherever they have spent the winter...we pass this word of caution...lock your car doors, always...whether at home or downtown or wherever you shop...it takes but a second for you to be ripped off if the doors are unlocked...this is a public service from our corner...

Time has elapsed...goodnight T.J., Stef and Amber...and to all of our readers have a nice weekend...summer has got to come sooner or later...

Arthur May and James Post were in Detroit Sunday, and attended the Tiger-White Sox baseball game. They visited for former's sister, Mrs. Edwin Rasinen also.

Friends of George Bielski gathered at his home Saturday evening to help him celebrate his birthday anniversary. The evening was spent

informally after which refreshments were served. All report a very good time.

Charles McCullough, Jr. and Dick Rickard of Highland Park spent last week at the cabin of the former's father on the East Branch. It was the boys' spring vacation from their school. The former is a grandson of Mr. and Mrs. Charles McCullough and the boys also enjoyed visiting them.

Mrs. George Sorenson is driving a fine new Graham Paige sedan, purchased from Leng's Garage.

Paul Hendrickson is building a home next to the South Side barber shop.

Mr. and Mrs. George Skingley and children enjoyed an auto trip to Lake Huron Sunday.

Earl Mathewson is driving a new Chevrolet truck purchased from Alfred Hanson.

Mr. and Mrs. Esbern Hanson returned Wednesday after spending several days in Detroit, Saginaw, and with Mr. and Mrs. Esbern Hanson, Jr. at Alma.

Mr. and Mrs. Elmer VanNatter and family of Cadillac spent the weekend at the home of Mrs. VanNatter's parents, Mr. and Mrs. Rufus Edmonds, Sr., of Maple Forest.

Another chair and another barber are now being added to the George McCullough barber shop.

Arthur DeWaele, former devil in this office, son of attorney DeWaele of Roscommon, who has made good as all graduates from the Avalanche office have done, is now a full-fledged attorney, having passed his examination before the state board last week; being one of four who have passed, while fourteen failed.

Frederic will have one less saloon this year, it is understood, by reason of the license of the late William Callahan having expired. There will still be four saloons in that little village which is two more than the Warner-Crampton law allows. Also Grayling will have one less. Mr. R. Hanson has purchased the Smith Hotel and will come into possession May 1st, and has declared that no saloon license shall be taken out for that place. This will leave six for Grayling - one more than allowed by the above law.

C.M. Hewitt has moved into the old Douglas home on Cedar St.

Miss Blanche Blondin, while roller skating last Friday night, had the misfortune to fall and break her arm.

Dr. Keyport is driving a new Ford car. Also Ernie VanPatten, George Hartman and Mrs. Esbern Hanson.

It seems like old times to see Mike Brenner around in policeman's uniform.

Rasmus Hanson has purchased a new Detroit Electric car. It is a model 42, equipped with an Edison battery. It was purchased through the Grayling Machinery Repair Company.

About 50,000 Colorado brook trout, direct from the hatcheries of that state, were planted in the AuSable River by N.G. Goodar, at his place 12 miles down the river last Monday.

The Bible Speaks

From Calvary Baptist Church

Sex, Sickness & Death

A current major news item is the growing epidemic of venereal disease. The thought of 20 million Americans afflicted with such disease is a clear testimony of the immorality and gross sin practiced in our land. Since blood tests are required for marriage, the state has done their part in protecting the family at its origin. It is certain that premarital and extra-marital sex is responsible for the problem.

The Humanist social and educational leadership sold everyone on the idea that public education in sex would solve the problems. Obviously they have failed since the problem has grown in direct proportions to their increased efforts. The basic problem is not ignorance, but sin. Now that the pregnancy problem is out of control, the murder of over one and a half million innocent babies this year in America will be the choice.

God made woman with a sacred place called the womb, in which he would give life, and form by procreation a totally new person, a living human being! That sacred and safe place known as the womb has been turned into a symbolic tomb of violence, death and destruction. A recent photo in the news showed a sign being waved by pro-abortionists which read "Support Motherhood by Choice." All of us connect the word mother or motherhood with life. All women have a choice to offer their bodies as instruments for life. No mother or any other human being has the right to end human life. The wilful ending of human life is murder.

There is a new type of V.D. which is proving fatal to many homosexuals. These sin-sick individuals who practice oral sex with members of their own sex, must now fear the threat of death with each choice of new sex partners.

God is still on the throne. In Old Testament times, sex sin was punished by civil laws of God and resulted in capital punishment. Whole nations were destroyed because of sex sins. All of us

know of the fire and brimstone which destroyed the town which gave us the word Sodomy. Today, God is still bringing judgment in the form of disease and death upon those people who choose to rebel against God and His Holy Laws.

Sex sinners will not make it to Heaven. "Ye know, that no whoremonger, nor unclean person, hath any inheritance in the kingdom of Christ and of God." Ephesians 5:5. Sex sinners will face God as judge. "Whoremongers, and adulterers, God will judge." Hebrews 13:4. Sex sinners will spend eternity in Hell. "But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death." Revelation 21:8.

Yes, you do have a choice. Please take time to study well all the consequences of your choice. "Sin, when it is finished, bringeth forth death. Do not err, my beloved brethren." James 1:15-16. (adv.)

Old Ausable GRAND OPENING

OPEN ALL NITE Friday Nite, April 23

In remembrance of Rasmus Hanson, Ernest Salling, David Shoppe-nagon, Rube Babbitt, William Mershon and George Mason, we ask you to join us at 115 Michigan Avenue in downtown Grayling for our Grand Opening, Friday nite - April 23. Each of these great men contributed something special toward making Grayling notably the Ausable River system what it is today. Now, nearly a hundred years later, our Sportshop is Opening. We think Rasmus would probably have given out Free Cigars he'd been so excited. In his style and the style of that Old Ausable, we will too — it's Trout Season.

Arts Council Needs Help

The Crawford Co. Arts Council has accomplished many things in its first half-year of existence. But, in order to expand its activities, the Council needs the help of Crawford County residents who are interested in promoting the visual and performing arts.

The next CCAC meeting is Tuesday, April 27, at 7:30 p.m., in the conference room of Northern National Bank.

If you are interested in art, acting, dancing, vocal or instrumental music, you are invited to the Council meeting. Call CCAC president Rosalia Matyn, at 348-8207, if you have questions.

Tickets for the Meadow Brook Theatre's professional production of Frederic Knott's suspense-thriller, "Wait Until Dark", are on sale at Northern Drug, Roscommon Hardware, Hunt Drugs in Houghton Lake, Flowers by Josie in Grayling and Fitzgeralds in St. Helen, with ticket prices at \$5.00 for General Admission and \$3.00 for Senior Citizens and Students. Meadow Brook, Michigan's foremost professional theatre, will present just one performance of the smash hit chiller at the Roscommon High School Auditorium on Sunday, April 25, at 7:30 p.m.

"Wait Until Dark" stars Bethany Carpenter, a

popular actress in the Detroit area. She plays a young blind woman who is terrorized by a trio of criminals who invade her Greenwich Village apartment in search of a child's doll she doesn't know she has in her possession. The doll is part of a drug-smuggling deal. During the course of the action the ring leader of the trio disposes of his two associates. As the woman finally faces this lone psychopathic killer she attempts to save herself by making the attacker's world as dark as hers by removing all the fuses in the apart-

ment. The climactic screaming scene is a classic in the art of suspense drama. In a recent Detroit Free Press review of the play's opening night, Diane Haitman describes the production as swift-paced with "just the right combination of seriousness, confusion and purely whimsical humor".

"Wait Until Dark" is being sponsored in Roscommon by the Roscommon Chamber Music Society-Arts Council. This performance is made possible by a grant from the State Legislature through the Michigan Council for the Arts.

Meadow Brook Theater to Present "Wait Until Dark"

Carnation Community Service Award

By Sherry Haag

The Carnation Community Service Award will be presented May 7, at the Retired Senior Volunteer Program Recognition Dinner. The award, donated by the Carnation Company, honors a group that gives generously of themselves for the benefit of the community and to aid welfare causes. A further objective is to direct public attention to the importance of volunteer activity.

The engraved Paul Revere design silver bowl, along with a citation, will be presented to a non-profit organization and is one of RSVP's stations. The selection of the recipient of the 1982 award was made by the Retired Senior Volunteer Program Advisory Council at their March 10, 1982 meeting.

Established in 1972 by the Carnation Company, the community award is now initiated throughout the United States. The award has been presented through RSVP to the Historical Society in 1975, Grayling Booster Club in 1976, Lions Club in 1977, and in 1981 to the Business and Professional Women's Club.

The May 7th RSVP Recognition Dinner honors all Retired Senior Volunteers and is in appreciation of their volunteer hours served in the community. All Retired Senior Volunteers who have served 30 hours or more are guests of RSVP. Dinner for all other guests is \$5.00.

Irwin's Rep. Here April 30

State Senator Mitch Irwin's District Representative, Greg Long, will be in Crawford County holding office hours and meeting with local citizens to discuss problems, cut red tape, and bring state government closer to the people of the 37th district.

Stop by to give your views on issues or to talk about problems with a state agency. No appointment is necessary.

Long will be at the Crawford County Courthouse from 10:30 a.m. to 11:30 a.m. and will lunch with seniors at the senior center in Grayling from 12 noon to 1:30 p.m.

Public Service Announcement

The Region IX Area Agency on Aging will conduct two public hearings on the 1983 Annual Implementation Plan. The purpose of these public hearings is to give the public the opportunity to review and comment on the proposed plan. The hearings will take place on:

May 18, 1982, 1:00 p.m. to 3:00 p.m., Crawford Senior Center, 308 Lawndale, Grayling, Michigan.

Written comments will be accepted through June 1, 1982. Written comments should be addressed to Sue Schuler, AAA Director, Northeast Michigan Community Service Agency, P.O. Box 1038, Alpena, Michigan, 49707.

Legislature Begins Recess Without Solving Financial Problems

Warren M. Hoyt, Executive Director, MPA

The Michigan Legislature began its regular spring recess Friday, April 9, after a grand effort to solve the state's financial problems fell short.

After a 22-hour marathon session beginning Thursday morning, the Senate decided to call it quits early the next day after waiting all night for the House to complete action on the focal point of a package by Governor William G. Milliken that would have increased the personal income tax rate by 1 per-cent for six months.

Senate Majority Leader William Faust of Westland said the members of the Senate were in no condition to begin negotiations and debate on the bill; the body packed its collective bag and returned to their districts or scheduled vacations.

Faust said the Senate would be nowhere close to having the necessary 20 votes to approve the bill which would raise an additional \$295 million for the fiscal year ending September 30.

He said there were only 14 or so votes for the bill in the Senate and the members were not in a negotiating mood after waiting the entire night in session pending action by the House.

Only after intense negotiations and much personal convincing by the governor did the House put up the necessary 54 votes to approve the tax hike.

The drama then switched to the Senate where it fizzled.

Meanwhile, because the complete package of other tax increases and budget cuts did not become finalized, the state's budget problems will continue to mount.

These taxes included an approved increase in the state cigarette tax, effective May 1, which would raise the per pack tax from 11 to 21 cents. This would raise an additional \$95

million each year to assist the state in its cash flow problems for the timely payment of bills.

A tax on amusements, such as video games, theaters and sporting events, was also left pending as the Legislature began its recess.

This would raise an additional \$40 million per year.

The overall package is designed to erase a \$567 million current-year deficit, offset projected red ink in 1982-83 or about \$200 million and shore up the cash account.

The approved executive order cutting the budget would cut \$308 million from the current year spending levels and some \$180 million from the 1982-83 recommendations.

Because of the failure to complete the package, the executive office called off a planned trip to New York to attempt to gain a favorable credit rating on \$94 million in building bonds which the state needs to sell before June to replenish the starved cash supply.

The executive order cutting the current and next year's budget includes \$80 million from fourth-quarter payments to four-year colleges and universities, \$125.9 million from various state departments including \$20 million from employees wages and salaries and previously accounted across-the-board cuts of 4 per-cent, and \$101.7 million due to a revised assumption on financing of the state retirement systems.

Additional recommended cuts by the governor for his 1982-83 budget include \$34.9 million from K-12, \$30.2 million from community colleges and \$58.1 million from revenue sharing.

This is a problem that will not go away. The Legislature began its spring recess without action on the total package; it will be the first item on the agenda when they return next week.

Spring Activities With Children

by Gail Edwards
Ext. Home Ec.

Spring is a time of renewal. Trees begin to bud, flowers bloom, birds fly north again. We express our need for rejuvenation by spring cleaning, sorting out our winter clothes and planning our outdoor activities.

Parents can take advantage of this theme as they plan activities with their children.

One major activity can be to investigate what's happening outside. Go out in the yard with your child and carefully look around. Look to see which trees bud early and which flowers are beginning to poke their heads up. Check to see which birds are back. Look for insects and watch what they are doing. Watch the snow melt and talk about what must happen to water to make it change to snow, ice or a liquid.

If questions arise as you explore the environment, make an adventure out of traveling to the library to look up the answers.

Use the seed catalogs that have been arriving to plan a garden. Ask each family member to tell which flowers and vegetables he/she would like to plant and why. Give your child a small garden plot of his own. You may want to encourage a very young child to plant a fast growing vegetable, such as radishes, so that the rewards come soon.

Children can be appointed as keepers of a garden diary. Many such diaries are available in book stores, or the children can make their own, recording what was planted and on what dates, how long germination took, special weather conditions and so on. The family will find these records very valuable over the years, particularly in trying new varieties of flowers or vegetables.

Children can also be involved in spring cleaning. Let them have a say in which clothes will be stored for the winter, which will be passed on to younger siblings and which will be discarded. They may also develop a list of items that will be needed for next winter and give some thought to budgeting for these items. You may also wish to let them have a say in rearranging or redecorating their rooms during the spring cleaning.

District Court

The following persons appeared before Judge Frank H. Miltner in 83rd District Court on Tuesday, April 13:

Richard Shiye, 22, of Grayling, was bound over to circuit court on a charge of larceny from a building.

Robert Ford, 17, of Grayling, pleaded guilty to a charge of disorderly person by intoxication in a public place and creating a disturbance. He was fined \$150 and placed on probation for two years. He was cited March 6, by Grayling City Police.

George Denno, 19, of Grayling, was bound over to circuit court on a charge of uttering and publishing a forged check.

Ray La May, 58, of Grayling demanded preliminary examination to a charge of felonious assault.

Kenneth Schoenborn, 42, of Big Rapids, pleaded guilty to a charge of impaired driving. He was fined \$250 and placed on probation for one year. He was cited March 31 by Crawford County Sheriff deputies.

Michael Shappee, 20, of Ludington, pleaded guilty to a charge of impaired driving. He was fined \$325. He was cited Dec. 5, 1981, by sheriff deputies.

LIFE IN THIS DAY AND AGE CAN BE HECTIC

By trying to accomplish a lot in a short period of time, we sometimes rush right through important events and lose their meaning. One important event that deserves extra time and attention is the death of a loved one. Death is a major transition which creates stress. Death means that one's relationship with a person has ended. When someone close to us dies it is helpful to take the time to mark this event in the company of friends. A meaningful funeral and visitation is an appropriate way to do that. After the funeral we need to take time to begin putting our affairs in order and assess what life without the deceased will mean. Taking time to express feelings, to talk with others who care, and to make good plans for the future are some ways to help ourselves after a death.

Spiritual Enrichment

The Michelson Memorial United Methodist Church will have a Spiritual Enrichment Series Sunday and Monday, April 25th & 26th. The speaker for the series will be the Rev. Dr. John L. Francis, senior pastor of the First United Methodist Church of Holland, Michigan.

Dr. Francis is a graduate of the Chicago Evangelical Institute, Greenville College, Greenville, Illinois, and Asbury Theological Seminary. Before coming to Holland, Dr. Francis served pastorates throughout Michigan, at White Cloud, Sanford, Ithaca, Battle Creek, Eaton Rapids, and he was the District Superintendent of the Albion District of the United Methodist Church.

The Spiritual Enrichment Series is designed to lift your spirits and challenge your faith. Dr. Francis will be preaching at evening services on Sunday and Monday, both beginning at 7:30 p.m. There will be special music at both services. Monday noon, there will be a buffet luncheon beginning at 11:50 a.m. and Dr. Francis will lead a Bible study beginning at 12:25 and end at 12:50. The noon Bible study is designed to enable working persons to come on their lunch hours.

The general public is invited to all three services.

TO THE CUSTOMERS OF

MICHIGAN CONSOLIDATED GAS COMPANY

CASE NO. U-7146

NOTICE OF HEARING ON A PLAN FOR CUSTOMER REFUNDS

On February 26, 1982, Michigan Consolidated Gas Company (Consolidated) filed an application for approval of a plan to make refunds to its customers.

Consolidated is a Michigan corporation and is engaged in the distribution and sale of natural gas to approximately one million residential, commercial and industrial customers all within the State of Michigan.

Consolidated proposes to refund approximately \$46.5 million of principal, plus interest. Consolidated represents that the proposed refund includes approximately \$34.9 million associated with pipeline supplier refunds and \$11.6 million associated with the 90% refund provision adopted by the Commission in its order dated November 6, 1979 in Case No. U-5955.

Consolidated proposes that the allocation and distribution of the refunds to all customers be based on the actual Ccf sales to those customers during the refund period for \$46.3 million of the proposed refund. For the remaining \$2 million of the proposed refund, Applicant proposes to use a November, 1979 through October, 1980 proxy period for allocation and distribution.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

A. The initial hearing in this matter will be held at 9:30 a.m. on May 6, 1982 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite these proceedings and scheduling of further hearing dates. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before April 26, 1982, an original and 6 copies of a petition to intervene, together with proof of service upon Consolidated.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

Mr. and Mrs. David Reisinger flew to Florida for a lovely ten-day visit with friends, Mark and Boots Kirkum of Marco Island who took them sight-seeing. The Reisinger children stayed with Mr. and Mrs. Mark Kirkum, Jr. while their parents were on vacation.

Bob and Fay Bovee returned Friday after spending a week in Saugerties, N.Y. visiting Richie and Billie Smith and new grandson, Peter.

Denise Rutter is now employed by Shelley Fick at Shear Magic, 123 Michigan Avenue, Ph. 348-2007.

Congratulations to Dr. Robert Schwarz who received his Ph. D. in Nutrition from Donsbach University in California. He received word on March 5 that his thesis had been accepted.

Mr. and Mrs. Clyde McQueen spent three winter months at Siesta Key, Florida.

Dr. and Mrs. Vern Blaha spent their month's vacation at Port Charlotte, Florida. They attended the Southeastern Surgical Conference in Bal Harbour and visited the Melvin Nielsons at Vero Beach. Guests of the Blahs while in Florida were Mr. and Mrs. John Kindra of Traverse City and Dr. and Mrs. Robert Schwarz.

Art and Ercel Williams spent six weeks in Florida at Port Charlotte.

Dr. and Mrs. Robert Schwarz spent one month at Clearwater, Florida, and also visited in Ft. Myers and Vero Beach.

Senior Citizens

Homemaker

Services

Since the beginning of the Senior Citizen Homemaker Services the homemakers have helped 115 different Crawford County handicapped senior citizens. They are presently helping 34 seniors with chores that they are unable to do themselves. These services allow a handicapped senior citizen to return home from the hospital at an earlier date and allows many to remain at home. If these services weren't available it would be necessary to institutionalize them. This as you know would be much more expensive and many times our loved ones are mentally crushed when they are forced to leave their homes. The Senior Citizens Homemakers have 8,917 hours of services to the handicapped Crawford County citizen.

Many thanks to all of you people that have donated to this program. Especially after seeing the budget revisions it became very clear that this program must depend on donations...without donations this program might become extinct.

Homemakers services offers light housekeeping and limited transportation to all handicapped Crawford County Senior Citizens 60 years of age or older. This service consists of dusting, vacuuming, meal preparation, washing dishes, light laundry, changing bedding, cleaning kitchen, bathroom, bedroom and living room. The transportation service is for the handicapped senior citizen that needs groceries, prescriptions filled and doctors appointments. If you are able to use Dial-A-Ride please do so as it is much less expensive.

If you need the Homemakers services or know of anyone that does, please call the Senior Citizen Center at (348-8314), or come to the Senior Citizen Center and join in one or all of the many activities at the center. The center is located at 302 Lawndale.

Youth Service

Bureau News

The AuSable Valley Youth Services Bureau has completed its plan for the 1982 Summer Recreational Program. The program will start Tuesday, June 15th and will run through August 20th. All Crawford County youth aged six to eighteen are invited to attend. There is no charge to participate in the program but, we are seeking ten dollar donations per family to help pay for some fees and materials.

All High School students needing tutoring in English and Speech classes should contact Douglas Wilson by calling 348-2841, ext. 262. We have tutoring sessions available at the High School Wednesday and Thursday afternoon right after school.

EXPERT INSTRUCTION—Jeff Wolcott, seated, left, receives some expert instruction from Trout Unlimited members, Marion Wright, standing, and Dr. Paul Mesack, seated, right. The class, sponsored by T.U. provided over twenty five participants with fly tying lessons from some of the area's finest practitioners of the art, and included Rusty Gates, Bob Smock, Sr., Wayne Stockton and Bill Koerke. Consumers Cautions Kite-Flying

As the weather warms, children's thoughts turn to sunny days and kite flying. But even the best laid kite-flying plans can be ruined by electric poles and wires.

Consumers Power Company officials warn that the majority of accidents occur when youngsters attempt to disentangle their kite from a power line.

The best way to avoid mishaps is to do your kite flying in wide-open areas away from electrical lines.

Grayling Township Board

Regular Meeting — April 6, 1982

Members present: Bernard Fowler, Elizabeth Wieland, Evelyn Gardiner, Marvin Hallett, Jacqueline Bonkowski.

Members absent: None

Others present: Legal Counsel Douglas Dosson, Scott Zigala, Chris Wright, Walt Nowak, Howard Guyett Sr., Russel Yacks, Bob Chappel, Eileen Chappel, Don Smock, Albert Wojahn, Jeffery Baxter, Bertha Wojahn, Robin Kapets, Carol Conklin, Kenneth Conklin, Deloris Carr, Allan Carr, Richard Kammer, Ted Johnston, Richard Wieber, Charles Post, Tom Welsh, Ed Rutkowski, Mary Harland, Alen Prudhomme, J.E. Palmer, Marvin Gregory, Barbara Sojka.

Meeting was called to order at 7:30 p.m. by Supervisor Fowler. Motion by Bonkowski, supported by Wieland, the minutes of the Regular Meeting of 3-9-82 be approved as written. All ayes. Motion by Gardiner, supported by Wieland, the minutes of the Special Meeting of 3-12-82 be approved as written. All ayes.

Treasurers report was given. Motion by Hallett, supported by Bonkowski, it be accepted. All ayes.

1. Notice was received from the Military Affairs Committee, Chamber of Commerce, of the season's Officer and NCO Reception schedule. Motion by Bonkowski, supported by Gardiner, to authorize the Supervisor to represent the Township at these receptions and approve the season ticket fee of \$30.00. Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

2. A note of appreciation was received from Northeast Michigan Prime Forestlands Identification Project Coordinator, Michael Mang, for Fowler's interest and involvement on the Local Resource Identification Committee.

3. Announcement of a Township Budgeting workshop scheduled by Michigan Townships Association was received. Board felt there was no necessity to attend the workshop this year.

4. A draft copy of the Northeast Michigan Solid Waste Management Plan was received and placed on file.

5. The Crawford County Sheriff Department Activities report for February was also received, briefly reviewed, and placed on file.

6. Notice of hearings scheduled for Consumers Power Company by the Public Service Commission was received relative to considering authorization to reflect charges or credits for changes in expense items in monthly billings.

7. Supervisor Fowler inquired if there were any citizens who wished to speak. Richard Wieber asked if this could be deferred until other items on the agenda were brought up for discussion.

8. The language of the petition referred to in item 10 of the 3-9-82 minutes was read. Fowler introduced Douglas Dosson, legal counsel, who gave a synopsis of the initial enabling acts under which general rule townships operate and his opinion of the Acts questioned by citizens last month. The Board has the authority to create & transfer funds to and from a Township Improvement Revolving Fund. If additional taxes were to be levied or money borrowed and bonds issued, a referendum would be necessary. In this matter, the proposed half project would be financed by transfers from the Township Improvement Revolving Fund, the General Fund and a sales contract (installment type payment plan) within the General Fund for a period of five to ten years, therefore no referendum is required. These details have not been addressed as the bids have not been studied.

Ed Rutkowski inquired if Michigan Compiled Laws 41-242, Sec. 1, applied in this case. No - additional taxes would not be levied nor would bonds be issued. Fowler explained the terminology of the installment contract with a contractor that was being pursued. Mr. Dosson explained this was an instrument which Mr. Miles was working on for the Board. It is a simple and less costly way to provide financing. It is the same type of document used when the compactor was installed. Questions were raised relative to the term - borrowing money - will there be interest, is the Board guaranteeing money will be paid back? Interest on the sales contract would be 10%. The question of why are we all of a sudden in need of additional funds for this project was raised. Bonkowski explained there never was any intent to lead anyone to believe funds for the entire project were on hand. The amount available was questioned. The Township Improvement Revolving Fund projection is \$122,300.00 by the end of this fiscal year. How much would be financed would be determined after bids were reviewed. Low bids came in at \$182,517.00. Reference to the \$100,000.00 to be financed is a maximum the Board was considering.

Richard Wieber stipulated it appeared the Board had given a lot of thought to the project, but several taxpayers didn't think it was necessary to have our own building. Fowler answered it was general policy for townships to rent the meeting room when the question of possible revenues was raised. Amount of financing was questioned again. Gardiner indicated the Board felt a reserve must be maintained. Mary Harland inquired how many registered voters are in the Township - 3006 active and over 600 inactive. She also questioned the number of signatures on the petition - 33.

Don Smock inquired about the number of building permits issued recently: 1979 - 198; 1980 - 180; 1981 - 168.

Bonkowski stated her disappointment for a variety of reasons. A lot of research was put into this project to save money for taxpayers and felt the innuendos made were unfair.

Richard Kammer stated he felt a lot of facts, figures, and information was not made known. There was also concern about a shower in the proposal. Fowler explained this was being considered in the plans, basically because of his and other employees involvement of the compactor. It is not uncommon to have to unload rubbish when it becomes jammed. This was merely a proposal that would save time during regular work days. Bonkowski asked there were still unanswered questions.

Bonkowski moved to put the question of construction of a township hall on a ballot at the next scheduled election (August Primary). Motion supported by Hallett. Wieland moved to amend the motion to put the question on the ballot at the General Election (November Election). Motion supported by Bonkowski. There appears to be no immediate problem to continue present lease. Question was called on the amendment. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried. Legal counsel will be sought on terminology of the ballot proposal. Question was called on the motion as amended. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

Correspondence received from Carol Conklin, as a representative of the County Taxpayers Association, protesting the opening of the bids for a proposed hall due to lack of the Boards following the proper procedures of the Michigan Statutes 41-242, the filing of petitions, and protest at the last regular meeting was received.

Fowler read correspondence received from Richard Wieber on behalf of Ed Rutkowski relative to the questions submitted in writing as asked at the last meeting.

(1) Total cost of loan? Board felt a maximum to be financed would be \$100,000.00 and interest was confirmed in writing by the Grayling State Bank at 10%.

(2) Cost of parking and grounds? This was alternate No. 1 of the bids - estimated at \$19,600.00.

(3) Cost of furnishings and equipment? We currently have all the furnishings and equipment except for a meeting room. The office facility was designed around existing equipment.

(4) Cost of maintenance? Blair Township in Grand Traverse County has similar size building and fire hall and indicated their 1981 budget for utilities, heat, and electricity was \$13,000.00 and their expenditures were \$9,200.00 - this included building and grounds. They have budgeted \$6,000.00 for utilities, heat, and electricity and \$3,000.00 for grounds for 1982.

(5. & 6) Cost of Insurance - casualty and liability? Insurance would cost \$320.00 per year additional - we presently carry full liability coverage.

(7) Cost of utilities? Estimates included in maintenance costs already given.

(8) Cost of snowplowing? We currently plow the compactor area. Extra plowing would be for joint parking area if kept open year around.

(9) Will equipment be purchased for snowplowing or help hired? We currently hire snow removal. Any decision to purchase equipment would be based on cost studies and possible use of vehicle for other township business. We have many roads and trails that warrant a four wheel drive vehicle. If a decision was made to purchase a vehicle, plowing might be done by an employee.

(10.) What part does revenue sharing play in the plans and what happens if it stops? Our Federal Revenue Sharing (\$14,200.00) is budgeted for the Fire Department. State Revenue Sharing (\$102,000.00) is guaranteed by the State Constitution.

(11.) How many new employees will result from this new building? Only for building maintenance. This could be extra hours for the employee operating the compactor who currently works 15 hours per week. No new office employees are being considered at the present time, in fact, the township has one less office employee than in 1980-81.

(12.) How many persons will come on the payroll from zoning ordinance? No additional employees as the result of the Zoning Ordinance. We have had a zoning ordinance since 1966.

(13.) What is the comparison between owning the building and renting elsewhere? Rent for fiscal year 1981-82 was \$6,300.00. Review of other possible buildings for rent indicate

this rent figure at: Bear Complex - \$5.00 per sq. ft. as is - (includes utilities), present city space - 1150 sq. ft. at \$5.50 per sq. ft. Use of Council Chambers has to be scheduled for Board related meetings.

Herluf Moshier asked if the old zoning ordinance had administration. Yes - the enabling act requires it. Don Welser inquired how much is the building going to cost to maintain. We estimate this at \$6,000.00 for utilities, heat, and electricity as indicated above. Fowler stated this project could offer additional hours of compactor service which would be a benefit to residents. Mr. Welser inquired if the \$300.00 cover renting out to others. This is for casualty on the building. If rentals were made available, costs would be reflected in the fee scheduled.

The Board will not spend tax dollars to sell an idea or this project. A fact sheet will be prepared for distribution. We have experienced a tremendous growth in the past 10 years and projections for the future show more growth. Registered voters have gone from 1400 to 3600, the number of precincts from 1 to 4, tax parcels have gone from 3,000 to 5,500. A mid-decade census conducted by the Board increased our state revenue sharing over \$43,000.00 per year. We are crowded in our office and we feel we need more space.

Don Welser asked what is the amount spent to date. The paper indicated a larger figure than that stated at the last meeting. Hallett answered \$18,753.23, an additional expenditure was offered and approved at the last meeting after this same question was raised. No fixed costs could have been stated until bids were received, studied, and alternatives considered.

9. No action was taken on the appointment of a member to the Grayling Recreation Authority at this time.

10. The 1982 Report of Assessment Roll changes and classification was reviewed. Fowler briefly reviewed the 1982 total values for each class of property with the 1981 total values. 1982 has an increase of \$5,751,700 in real property and \$26,750, in personal property. A 1.0 factor will be retained on all classes of property, if the report is accepted by the county.

11. The tentative 1982-83 Fiscal Year Budget report as distributed to Board Members was reviewed. Said reports must be submitted to the Allocation Board this month; however, hearings will be held on the budgets at the Annual Meeting scheduled for 6-26-82. This budget report is based on a 1.0 mill request and totals \$313,790.00 for all three funds (General, Federal Revenue Sharing, and Liquor) which is slightly under the 1981-82 budget for all three funds which was adopted at \$318,533.54. Motion by Gardiner, supported by Wieland, to approve the tentative 1982-83 Fiscal Year Budget report based on 1.0 mills as presented and submit same to the Allocation Board. All ayes. Motion carried.

12. Will Rogers, representing Rockford Map Publishers, Inc., met to discuss revision or up-date of the Crawford County Plat Book. Sponsored by the Grayling Sportsman Club, this book is up-dated every three years and has been very useful for all Boards, Commissions, and employees of the Township. The cost has risen from \$75.00 to \$100.00 per page. Motion by Hallett, supported by Gardiner, to continue support of the plat book and forward \$500.00 to the publisher (\$100.00 per page for each town and range in the township). Roll call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

13. Don Welser inquired if the Township would consider waiving the 3% penalty on delinquent taxes. Mr. Welser indicated several citizens will demand this waiver at the Annual Meeting. Tres. Gardiner explained this is waived for taxpayers who have filed an affidavit pending receipt of their homestead credit. She also explained she felt large companies & lending institutions would take advantage of such a waiver & this would only delay local distribution of the tax collection. Very few taxpayers who cannot meet the Feb. 14th deadline pay prior to Mar. 1. The penalty brings in approximately \$500.00 a year.

14. Fowler informed citizens that the Michigan Townships Association, after studying many tax proposals, has announced support of the plan known as the Smith Plan. Representative Ostling had an article in the Avalanche last week supporting the same proposal. Local governmental units, schools, and citizens will have to work together to achieve tax reform. Basically this proposal would exempt school operating taxes on resident homesteads for persons 62 and over, exempt 75% of school operating taxes on resident homesteads and resident farms (both would have a cap), guarantee local control by local school boards, exemption loss would be reimbursed, agriculture and forestry properties would be assessed on use, business and industry would be held harmless from any tax to replace these exemption losses & approve one percent increase in sales tax earmarked for local schools. A cost analysis indicates this proposal will cost \$1.560 billion. The 1¢ sales tax will reduce this by \$600 million as will the circuit breaker by \$440 million. The \$520 million shortfall could be made up by an 8 percent increase on personal income tax or further reduction in services. If the proposal is going to be placed on the ballot in November, some 300,000 signatures are needed on a petition.

Mr. Wieber asked how this proposal would affect Township revenues. The exemption would only affect school operating levies on homestead residents. In Grayling Township only about 43% of the taxpayers are residents. There would be no exemption for the 57% non residents. This amendment would not dispose of the present circuit breaker. It would give residents a break on their homestead property taxes. Herluf Moshier asked if this money would be paid through General Fund. Administration details have not been worked out. The amendment, if adopted, would be effective for 1983. Mr. Wieber indicated he felt this proposal sounds good and strongly recommends everyone support it. Fowler indicated he would be working on a petition drive in this area through the Association, and would be looking for volunteers to assist in their own neighborhoods. Mr. Wieber indicated the Crawford County Taxpayers Association has not completed organization or elected officers at this time, but felt they would study the proposal and pursue support and assistance on it at that time. Other questions and comments were raised relative to administration of the proposal if adopted. Fowler will attempt to have Representative Roy Smith participate in a local talk show and meet with citizens to answer questions on the proposal.

Fowler inquired if there were any objections to placing the petition in the office. After brief discussion on other tax relief proposals, it was the Board's consensus that if anyone wished to obtain the Association sponsored proposal, petitions would be made available to them, but none would be displayed in the office.

15. Copies of several bills drafted for legislative consideration received include: abolishment of the presidential primary, amendments to acts relative to annexation, removal of inactive voters, removal of the prohibition of townships from using the Small Claims Court, countywide joint publication of elections, and use of free circulation shoppers as newspapers of general circulation, local control of state licensed residential care facilities, and amendments to the Drain Code requiring specific notifications.

16. Supervisor Fowler indicated he had received some inquiry relative to hauler bids for the compactor. Present Contractor has not increased rates since 1978 except for dumping fees which were increased in 1981 when the county landfill rates changed. Board felt the present contractor has provided excellent service at reasonable rates. Motion by Gardiner, supported by Bonkowski, to retain Otsego Sanitation and not advertise for bids at this time. All ayes.

17. A request for re-instatement as Electrical Inspector was received from George Stevens, provided arrangements for inspections could be made during his medical absence. Motion by Gardiner, supported by Bonkowski, to rescind the action accepting said resignation taken at the Regular Meeting of 3-9-82 under item 17. All ayes.

18. The quarterly publication titled "Structurnews" from Weyerhaeuser Company was received.

19. The Planning Commission report indicated a revised fee schedule will be offered on various applications provided in the zoning ordinance for consideration prior to the next fiscal year.

20. A resolution adopted by the Crawford County Board of Commissioners at their Regular Meeting of 3-25-82 requesting a freeze on all assessments for the ad valorem taxation of property until conformance with the requirements of the Constitution, 1963, is assured through legislative action; a review and evaluation of current laws, rules, regulations, published guidelines and legal opinions regarding ad valorem taxation with corrective action; and annual public disclosure of the true and full impact of increased property values upon state budget considerations of funds to units of local government was received and reviewed. Motion by Bonkowski, supported by Hallett, the Township adopt a like resolution and submit copies to the Michigan Townships Association, Representative, and Senators. All ayes. (copy on file in the township office)

21. Herluf Moshier inquired about the status of the petitions filed last July 17, 1981, requesting a referendum on Zoning Ordinance 81-2 that was tabled at the last regular meeting. This question has been reviewed through legal counsel and an opinion submitted indicating the petition was not timely filed. Motion by Gardiner, supported by Bonkowski, to accept legal counsel's opinion and not put the issue on a ballot. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

22. Richard Wieber informed the Board that a petition is being circulated relative to legislative consideration of the per acre rate paid on lands referred to as swamp lands and inquired if

the Board would support said petition. Fowler explained he felt the Board could support the concept of a change in the law on the swamp tax rate to bring it in line with the ad valorem tax but could not recommend any action be taken to support a petition until it is filed.

23. Revenues in the General Fund were reviewed and with the larger portion of 1981 taxes and special assessments having been received, Bonkowski moved the \$35,155.36 transferred to the General Fund to pay for road improvement projects and other authorized expenditures be transferred back to the Township Improvement Revolving Fund. Motion supported by Gardiner. All ayes.

24. Wieland reported preliminary work on the new Election Precincts was completed. Precinct boundaries have been established to coincide with the new County Commissioner Districts. We will have four precincts and new identification cards will be issued. A map outlining the new boundaries will be published at the time cards are mailed. There are over 3000 active voters and over 600 inactive voters in these four precincts.

25. The Building Inspection and Ordinance Enforcement report was received, reviewed, and placed on file.

Motion by Bonkowski, supported by Gardiner, the bills as presented on vouchers 5514 through 5545, in the amount of \$18,234.12 be approved for payment. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-aye. Motion carried.

Supervisor Fowler thanked everyone for taking an interest in their township by attending the meeting.

Motion by Wieland, supported by Hallett, meeting be adjourned. (10:26 p.m.) All ayes.

Grayling Township Board

Special Meeting — April 13, 1982

Members present: Elizabeth Wieland, Evelyn Gardiner, Marvin Hallett, Jacqueline Bonkowski.

Members absent: Bernard Fowler

Others present: William Bonkowski

Special Meeting was called to order at 5:00 p.m. by Clerk Wieland, for the purpose of considering entering into a contract for fire protection with Beaver Creek Township as advertised.

A Contract for Fire Protection for the Weyerhaeuser Plant in Beaver Creek Township for the period April - 1982 through June - 1982, being the current equal protection provided residents in the City of Grayling and the Township of Grayling for a total of \$1950.00 as stipulated in a contract presented the City Council by attorneys Nelson Miles and Douglas Dosson was reviewed.

Said contract has been approved by Beaver Creek Township. At the City Council meeting of 4-12-82, Fire Chief Doremire indicated he saw no problem providing this service through June-1982. Said contract was also approved by the City of Grayling contingent upon Grayling Township approval.

Motion by Gardiner, supported by Bonkowski, to approve the Contract for Fire Protection for the Weyerhaeuser Plant in Beaver Creek Township for April, May and June - 1982 for a total of \$1950.00 being the same protection provided residents of the City and Township. Roll Call: Bonkowski-aye, Gardiner-aye, Hallett-aye, Wieland-aye, Fowler-absent. Motion carried.

Motion by Bonkowski, supported by Gardiner, meeting be adjourned. (5:25 p.m.) All ayes.

Township Clerk

City Council Proceedings

Regular meeting of the City Council held April 12, 1982.

The meeting was called to order by Mayor Thompson at 7:30 p.m.

Members present: Thompson, Latuszek, Sloan, Golinick.

Members Absent: Sablin.

Also in Attendance: Allen V. Schreiner, City Treasurer, Kay Ellen Juntilla, Secretary, Nelson A. Miles, City Attorney, Douglas Dosson, Beaver Creek Twp. Attorney, A. Donald Sorenson, Don Geiss, Jeff Stamply, Beth Wieland, Grayling Twp. Clerk.

Motion by Sloan, supported by Latuszek that the minutes of the meeting of March 29, 1982 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no Citizens who wished to speak.

Communications were received and noted.

From A.V. Schreiner re: March Financial Report. Mr. Golinick asked if any of the funds budgeted for City Hall renovation had been spent to date. Mr. Schreiner replied that nothing had been expended this year.

Motion by Golinick, supported by Sloan that the Police Department be remodeled. Remodeling to include paneling the walls, installation of a drop ceiling, creation of a private office for the Police Chief and installation of an appropriate floor covering. Ayes: 4, Nays: 0, Absent: 1, motion carried.

From M.M.L. re: Legislative Bulletins.

Motion by Golinick, supported by Thompson that Council go on record as opposing SB 525 and that letters expressing their position be mailed. Ayes: 4, Nays: 0, Absent: 1, motion carried.

From Hill, Woodcock & Distel re: UDAG Audit Report.

From City Manager re: Tentative Budget Schedule.

From City Manager re: Truth in Taxation.

Old Business.

Mr. Schreiner presented a memo to the City Manager regarding water billing cycle problems. The memo detailed collection problems and proposed an alternate billing cycle which is felt will aid in solving the problem. Billings will be mailed on the 25th of January, April, July and October with the due date the 10th of the month following the billing date. This period will cover the first 3 days of the month in which Social Security checks are received and help keep the matter in the customers mind. Ms. Latuszek agreed with this proposal since she had experienced the problem of receiving a bill which was not due for 30 days and consequently forgetting it. She felt that the shorter time would help customers remember and relieve some of them of the problem of receiving the shut-off notice and related service charge.

Motion by Latuszek, supported by Sloan that, effective with the billing for the quarter ending June 30, 1982, the billing cycle be changed to a billing date of the 25th of July, October, January and April with the due date the 10th of the month following billing. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Discussion of an insurance quote regarding Liability Insurance took place. Mr. Thompson stated that this type coverage was much needed. Other council members agreed.

Motion by Thompson, supported by Golinick that the quote from Markel Service Company for Public Officials Liability and Law Enforcement Officers Liability Insurance be accepted immediately. Ayes: 4, Nays: 0, Absent: 0, motion carried.

New Business

A proposed contract for fire-protection service to the Weyerhaeuser plant between the City of Grayling and Grayling Township and Beaver Creek Township was presented by Mr. Nelson Miles, C.A. and Mr. Douglas Dosson, Beaver Creek Township Attorney. The contract would extend until June 30, 1982 and provide the same level of fire protection available to the taxpayers of Grayling and Grayling Township. The contract calls for a stand-by remuneration of \$650.00 per month for April, May and June of 1982. Fire Chief Doremire stated that he saw no problem with providing this service for 3 months although both he and Councilman Golinick have reservations about any long term arrangement.

Motion by Golinick, supported by Latuszek that the proposed contract for Weyerhaeuser fire protection for April, May and June of 1982 be approved contingent upon approval of the Grayling Township Board. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no reports of Councilmen.

Reports of City Manager

Mr. Schreiner presented to Council the 1982-83 Proposed Budget. No comments were made at this time.

Adjournment

Motion by Sloan, supported by Golinick that the meeting be adjourned. Ayes: 4, Nays: 0, Absent: 1, motion carried. The meeting was adjourned at 8:13 p.m.

While most drivers are impressed with the power of a big 18-wheeler barreling down the interstate, they don't realize the potential danger in the cargo that many of the trucks are carrying. Transportation researchers warn many trucks transport dangerous chemicals and explosive materials that could cause catastrophic accidents if mishandled.

Par For The Course

By Fay Bovee

A large enthusiastic group started the season off on Friday, April 16, 1982, with a Happy Hour at the clubhouse. On hand to greet members and guests were the new golf pro, Doug Marshall, and his greenskeeper, John Betts. A delicious snack table prepared by waitresses Lynn and Susan greeted the congenial group that arrived to renew friendships and compare winter's activities.

The opening was postponed from April 2 due to an unusually heavy amount of snow still on the course. The postponement seemed not to dampen the spirits of everyone who is eagerly looking forward to the golf season.

Men's league members should contact Irv McIsaac, Monday ladies contact Jan Pahsson, and Wednesday ladies contact Carolyn DiPonio if you are unable to attend the first meeting. The Wednesday Auxiliary will hold their organizational meeting on Tuesday evening at 7 o'clock, April 27, at the clubhouse.

Tickets for the May Day Gala on Saturday, May 1st are available until April 26th at the Clubhouse or from any committee member - Mr. and Mrs. Melvin Nielson, Dr. and Mrs. Blaha, Dr. and Mrs. Schwarz or Mr. and Mrs. Ken Gothro. Cocktails at 6 p.m., dinner at 7:30, prizes, and music for dancing, for \$20.00 a couple.

Completes

Naval Training

Navy Airman Barbara J. Golnick, daughter of William F. Golnick of Grayling, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1981 graduate of Grayling High School, she joined the Navy in January 1982.

Opener

weather before Opening Day could change conditions entirely.

"We could have four days of hard rain and fishing would be poor Saturday or we could get four days of sunshine and warm temperatures and the fishing could be fantastic."

Brian Southard, of the Fly Factory, said this year's opener could be a "classic." He said the river was low and the hatches have been slowed down. Usually the hatches come early and fast before most fishermen come up, he said.

Bob Smock, of Old AuSable Sporting Goods, said the water was coming out of the swamps fast a week before Opening Day and the river could be high by Saturday.

Mike Delp, who's fished the AuSable for 11 years, said more sunshine and some warm rain would help produce abundant hatches for Opening Day.

Terry Barr, at the Grayling DNR field office, said Saturday could be an excellent opener. He said the heavy snows have held down the fly hatches and the water level is down. Although the county received a lot of snow, Barr said there was little frost and a lot of melt-water went into the ground keeping water levels down.

CARD OF THANKS

LET YOUR TAXES HELP FINANCE YOUR RETIREMENT WITH AN I.R.A. AT GAYLORD STATE BANK

Now ALL WORKERS, whether their employers have a qualified pension plan or not, are able to maintain an Individual Retirement Account (I.R.A.). An I.R.A. is a personal tax sheltered retirement savings plan that allows tax-deferred contributions with compounded interest to accumulate until retirement (anytime after 59 1/2 years of age).

I.R.A. Basic Features:

- Anyone who earns income can open an I.R.A. regardless of any other retirement plan currently in effect.
- You can invest up to \$2,000 a year or 100% of your wages — whichever is less.
- If your spouse earns income, he or she can also invest up to \$2,000 a year.
- You can contribute annually, monthly, weekly or any other way that fits your budget.
- Your funds are secured because each depositor is insured up to \$100,000 by the FDIC.

For more additional information on the I.R.A. contact any office of the bank.

THANK YOU
To all of the nurses on 2 North at Grayling Mercy Hospital, thank you very much for the wonderful care that my grandmother, Jenny B. Hendricks, received during her recent hospitalization.

She is home now and doing much better. She remarked to me the other day how pleasant her stay had been.

She also stated she liked it better than Munson Hospital, where there is much more noise and the nurses were not as quick to answer a call for assistance.

I thought that was a fine testimonial regarding your wonderful nursing care.

Gratefully yours,
Charles Gosling

What made me leave the warm comfort of the house to step coolness into the rather cool night, I cannot say. Perhaps a long-hidden instinct to exchange greetings with old friends or just the need to stretch muscles. It wasn't just the cold that made my bare arms break out in goose bumps but a haunting far-flung call from the night sky. A flock of geese was headed North after wintering in a more hospitable climate. Despite the cold, I listened until that call was gone and when I stepped back into the house, I was thinking of what Aldo Leopold wrote in A Sand County Almanac: "One Blue Bird does not a spring make, but a flock of geese cleaving the midnight sky bears the conviction of a prophet who has burned his bridges behind him."

There is still snow here, to be sure, with more still further North, but something tells those geese there is open water to the North where they can rest and feed before resuming their journey to the Canadian nesting grounds. Sure it is still cold, but can spring be far away?

As the snow silently turns to drops of water which soak into the ground carrying nourishment to roots and seeds which have laid dormant under that protective white blanket since last fall, I know that the miracle of another spring will soon blossom forth in the form of woodland flowers. Old friends will soon dot the forest floor with spots of beauty at their appointed times and places. Arbutus, Trillium, Spring Beauty and even the lowly Dandelion will appear almost magically, not because the geese triggered spring, but because each living thing has its time and place in the scheme of things.

Road Commission Minutes

March 12, 1982

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Cason presiding. Present were Chairman Grover Cason, Commissioners Gloria Kraus and Norman F. Parker, Engineer-Manager John M. Keir and Acting-Secretary Joanne Turner. Also present were Bob Carpenter, CPA and Bill Teachout from Hyde Equipment Company.

The minutes of the previous meeting of February 29, 1982 were read. Commissioner Kraus made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 5 in the amount of \$20,183.00 and Material Vouchers Numbers 99 through 160 in the amount of \$20,126.30 were presented to the Board for payment. Commissioner Parker made a motion to accept the vouchers for payment, seconded by Commissioner Kraus. All voted in favor, vouchers signed.

At this time the Bids for Grader Blades were opened. Listed below are the primary bids; various options were presented.

Company	Size	Price
AIS Construction	6'6" x 5/8"	\$17.28 with 1% disc. in 10 days
St. Regis	6'6" x 5/8"	\$2.78 per foot or \$16.68 each
Hyde Equipment	6'6" x 5/8"	\$17.12 each
Paper, Calmenson	6'6" x 5/8"	\$16.14 each
Telford, Doolen	6'6" x 5/8"	\$17.45 each
Valk Mfg.	6'6" x 5/8"	\$15.60 each
Caterpillar	6'6" x 5/8"	\$63.09 with 5% disc. (hardened only)

The Board accepted and tabled the bids and will make a decision at a later date.

Bob Carpenter, CPA from the firm of Robertson and Carpenter appeared before the Board to review the Financial Report and the Act 51 completed for the year of 1981.

Possible new rules for the brine wells were reported by Engineer-Manager Keir. Further information from the Michigan Department of Natural Resources is to be furnished.

There being no further business, a motion was made and supported to adjourn. All voted in favor, meeting adjourned.

Fulfilling a central role in nature's system of child development is the nest.

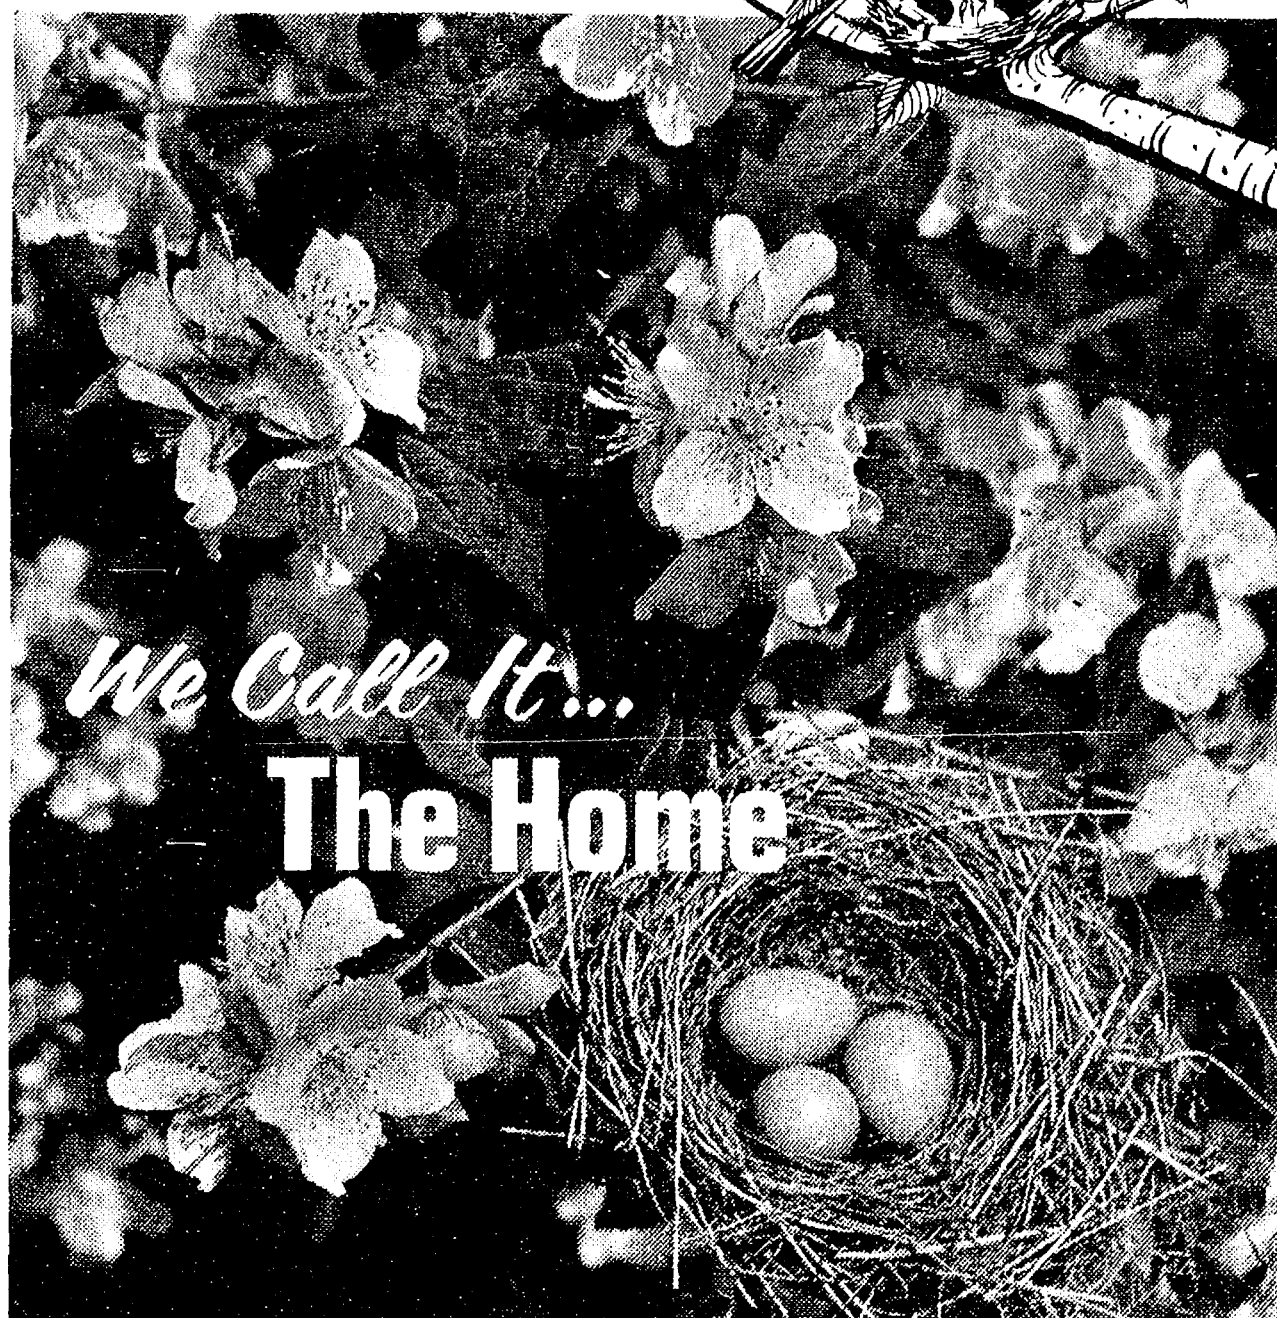

In our very complex human society mankind relies heavily on the nest. We call it the home.

Beware of the current tendency to think of the home as an institution. It's so easy to separate home, school, church... and their vital inter-related functions.

Rather think of the home as a nest... the shelter in which devoted parents provide the proper environment and the essential loving

care to get youngsters ready for Life. Education and religious training should be rooted in that family experience.

Life in a nest is governed by instincts. Life in the home is the outgrowth of sound knowledge and sincere faith.

nature photography. In this class you will learn the tricks of capturing those great shots that you admire in the outdoor magazines. A great opportunity to expand the knowledge of your camera and increase your picture taking talents.

There is no need to pre-register for any of these classes. However, it is important that you plan to attend the first meeting which will be held on Wednesday evening, April 28 at 7:00 at Hanson Park. If you would like to take the class, but you will not be able to attend that first session, either send word with someone you know will be attending or plan to call the park between 6:30 and 7:30 p.m. that evening. The tuition fee for all classes is \$10.00 per person. Help turn Hanson Park into a community recreation area we can all be proud of and can enjoy all year around by attending classes and activities which are sponsored by the park.

Winter Highway Bill Climbs 25 Percent

The cost of snow and ice control on the state highway system jumped more than 25 percent this winter, the Michigan Dept. of Transportation (MDOT) said today.

"This has been a tough winter, especially in comparison with the mild winter of 1980-81," said Donald Orne, the department's chief maintenance engineer.

"Inflation also helped to push up the costs," he said.

The winter maintenance bill on the 9,450-mile state highway system (all the Interstate and US- and M-numbered highways) totaled about \$38 million on April 11. That is \$7.86 million higher than the \$30.14 million spent in the previous winter for snow plowing and spreading salt and deicing chemicals on the highways.

"The final cost will be somewhat higher," Orne said. "There still is the possibility of snow and ice, especially in northern areas of the state. Also, we haven't received our final billings from the county road commissions which maintain state highways in their respective areas under contract with the department."

The transportation department has reduced the level of winter maintenance in recent years in an effort to hold down spending.

ACS to Sponsor Workshop

The American Cancer Society in cooperation with the clergy of the Grand Traverse area will sponsor a workshop entitled Cancer and Ministry.

The conference will take place Thursday, April 29, 1982 at the Traverse City Holiday Inn from 9:00-4:00. The purpose of the meeting is to examine the physical, emotional, spiritual and social impact of Cancer on ministry.

Among the speakers will be Dr. Hugh Davis, M.D., Director of Hematology and Oncology, at Henry Ford Hospital in Detroit. His topic will be "Cancer: What it is and how it is treated."

The other participants are Donna O'Toole, an experienced ACS speaker on subjects dealing with death and grief. The chairman of the Planning Committee, The Reverend Thomas Stoll will speak on the subject of ministering effectively to the cancer patient and family.

Those interested in participating in this symposium should contact the American Cancer Society, North Central Area Office, 346 E. Front Street, Traverse City, MI 49684 or call (616) 947-0860.
